With nearly 35 years behind the decks, I know that your wedding is one of the biggest days of your life, and the music and atmosphere are what your guests remember long after the last dance. At PLM, it's never just about playing songs - it's about creating an experience that feels personal, looks incredible and fills the dancefloor from the first song to the last.

Every wedding is planned around you: your music, your style, your venue. With the new **PLM Signature App**, you can plan it all with us from your phone, whenever suits you.
